Patrons of Public Schools, Tulsa, Oklahoma, ATTENTION!

TUESDAY, MAY 16, 1916, has been designated by the Mayor for the voters of the school district to vote on the question of the extra three and seven-tenths (3.7) mill levy necessary to maintain the schools for nine (9) month term.

Do You Want Six Months School or Nine Months?

The honor of Tulsa and the WELFARE OF ITS CHILDREN ARE AT STAKE. Will you lend a hand?

How? (1) BE SURE TO VOTE FOR THE LEVY. (2) BE SURE your neighbor understands the issue. (3) BE SURE every qualified voter in your district is urged to vote. (4) BE SURE TO WORK AND VOTE FOR THE CHILDREN ON THIS ELECTION DAY, NEXT TUESDAY,

WHY? (1) Because the funds without the levy will maintain only a six months' school. (2) Because the money can be obtained by no other means except through an extra levy approved by the voters. (3) Because it is necessary to have a majority vote in favor of the levy.

Some Reasons Why the Levy Is Necessary

1. Because Tulsa is the most RAPIDLY GROWING CITY in the Southwest and is honor bound to provide for the education of its boys and girls.

2. Because this RAPID GROWTH IS NOT PROVIDED FOR IN THE STATE LAWS inasmuch as the apportionment of taxes is based upon school enumeration and assessments made ONE YEAR BEFORE the school year for which support is provided, thus providing in no way for this rapid increase of current year.

3. Because a large number of teachers are added each year to care for the increased attendance.

4. Because the last year there were voted extra funds for a nine months' school,

5. Because the new Oklahoma public service law, if not defeated in the August election, deprives Tulsa of \$20,000 which it formerly received.

6. Because the DEFICIT CANNOT BE removed in any other manner UNLESS THE SCHOOL TERM BE CUT TO SIX MONTHS.

WHY AN EXCESS LEVY MUST BE VOTED

1. The Constitution provides that the Boards of Education can levy not more than five mills. 2. If more than five mills is levied this excess levy must be voted by the people. The Excise Board can cut down the amount voted; they cannot raise it.

3. The uncertainty of the taxing source makes it necessary to vote an excess levy since the Gross Production Tax is being held in protest, and, therefore, not available and since the Public Service Corporation tax is in question.

4. There is now a movement on foot to validate 12A of Section 19 of the Constitution (Campbell Russell Amendment) which will take from the city of Tulsa about \$20,000 and from the entire county about \$65,000. Voters in Tulsa County should vote "Yes" on the repeal of 12A and "No" on the bill to validate this section.

We cannot afford to sacrifice the interest of children or take chances if these measures should carry. Therefore, be on the safe side, vote the increase levy and if these measures are defeated, i.e., 12A repealed and the law defeated, the Excise Board could strike out the excess levy.

BE ON THE SAFE SIDE—VOTE FOR THE LEVY

WHAT WILL BE THE RESULT IF THE LEVY FAILS?

ANSWER: A SIX MONTHS' SCHOOL.

Children receive half credit for the year's work, thus requiring sixteen years to complete an 8-year course.

The High School loses its standing on the accredited list of colleges and universities.

The efficiency of the school decreased. Idleness and alley-time for boys and girls increased.

4. A loss practically of the year to the child-and a disorganization of the school system. An everlasting blow to the pride of Tulsa-an everlasting blight on the Flower of Tulsa-ITS BOYS AND GIRLS. MR. VOTER: Do you want the boys and girls to have their natural right—the equal of the other city school children of the state—A NINE-MONTH TERM? It will take the combined effort of all to get out the required votes. Do your part now—this is the only opportunity—now is the time. If you vote right this time it will save calling another election and an additional expense of \$500 to \$1,000.
